As amended by House Amendment 1141, by deleting all language after the enacting clause and by substituting instead the following:

Section 1. (a) The select committee on children and youth is directed to recommend to the governor and the general assembly strategies for children's health and safety, within budgetary limits, to include the following elements:

(1) Statements of principles, general policy and targeted annual priorities to guide approaches to address disproportionate risks to children that result from environmental risks, health risks or safety risks;

(2) A coordinated research agenda for state government, including steps to implement the review of research databases;

(3) Recommendations for appropriate partnerships among federal, state and local governments, and the private, academic and nonprofit sectors;

(4) Proposals to enhance public outreach and communication to assist families in evaluating risks to children and in making informed consumer choices;

(5) An identification of high-priority initiatives that state government has undertaken or will undertake in advancing protection of children's environmental health and general health and safety; and

(6) Recommendations regarding the desirability of new legislation.

(b) The committee shall report to the governor and the general assembly on or before January 15, 2000 and shall provide such subsequent reports as the general
